

## Occupational Skills Programme

# Intermediate Emergency First Aid Responder

## Programme Details

### PROGRAMME ID

SP - 230802

### PROGRAMME TYPE

Occupational Skills Programme

### PROGRAMME TITLE

Intermediate Emergency  
First Aid Responder

### NQF LEVEL

3

### DURATION

5 Days

### MINIMUM CREDITS

5

## Entry Requirements

Enrolment for our foundational First Aid training programme is generally accessible to all interested parties. The key requirements are that candidates must be 16 years or older and possess sufficient literacy skills to follow the theoretical instruction and successfully complete the required assessments in English. Furthermore, participants should be physically able to demonstrate the practical components of the training

## Purpose of the Programme

The purpose of the Intermediate Emergency First Aid Responder qualification is to equip learners to safely assess emergency scenes and competently apply intermediate first aid techniques for medical, trauma, and environmental incidents, ensuring effective scene management until professional help is available.

## A qualified learner will be able to:

- **Ensure scene safety** and perform initial emergency assessment.
- **Apply intermediate first aid** for common medical and trauma incidents.
- **Manage the emergency scene** effectively until relieved by professional services.
- **Accurately report incident details.**

## Curriculum and Module Breakdown

The qualification consists of three compulsory components aligned with QCTO standards to ensure comprehensive skills development and the benefits of a structured programme:

1. Knowledge Component
2. Practical Skills Component

### **Knowledge Modules (3 Credits)**

#### **Concepts and Principles of Intermediate Emergency First Aid**

**KM-01-KT01:** Principles of providing intermediate emergency first aid.

**KM-02-KT01:** Effective application of intermediate emergency first aid.

**KM-02-KT02:** Basic human anatomy and physiology for intermediate emergency first aid.

**KM-02-KT03:** Recognise emergencies, injuries, and illnesses, and treat appropriately using intermediate emergency first aid techniques.

### **Practical Skill Modules (2 Credits)**

#### **Apply Intermediate Emergency First Aid Techniques**

**PM-01-PS01:** Provide intermediate emergency first aid for a variety of medical, trauma and environmental emergencies.

**A learner formally exits this Skills Programme (SP)** upon the successful demonstration of competence across both integrated components
